

# Q1 How familiar are you with the proposed Alberta Cooperative Agricultural Extension Design, Implementation & Pilot Framework?

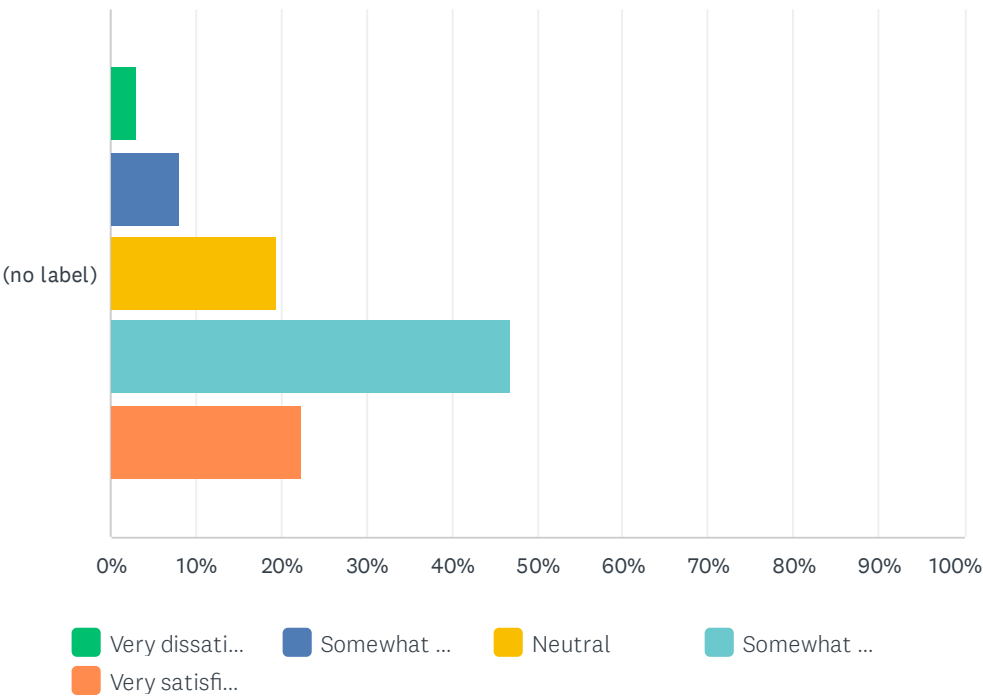

Answered: 99    Skipped: 0

ANSWER CHOICES	RESPONSES	
Very familiar	15.15%	15
Somewhat familiar	59.60%	59
Not so familiar	20.20%	20
Not at all familiar	5.05%	5
TOTAL		99

Q2 How satisfied are you with the Cooperative Extension framework design principles? Timely, Responsive & Agile Evidence-Based Outcome-Based Easy to Consume, in Desired Formats (1:1; 1:many; many:many) Affordable, Sustainable & Resilient (to government regime or funding structure changes) Easily Scalable & Adaptable Optimize, not Duplicate Respect & Protect Brand & Autonomy of Participating Organizations Provide a Win-Win for Participating Organizations Address Critical Extension Resource Gaps

### Q3 How do you anticipate you or your organization will leverage the Extension Methodology Specialist's knowledge, skills and services? (check all that apply)

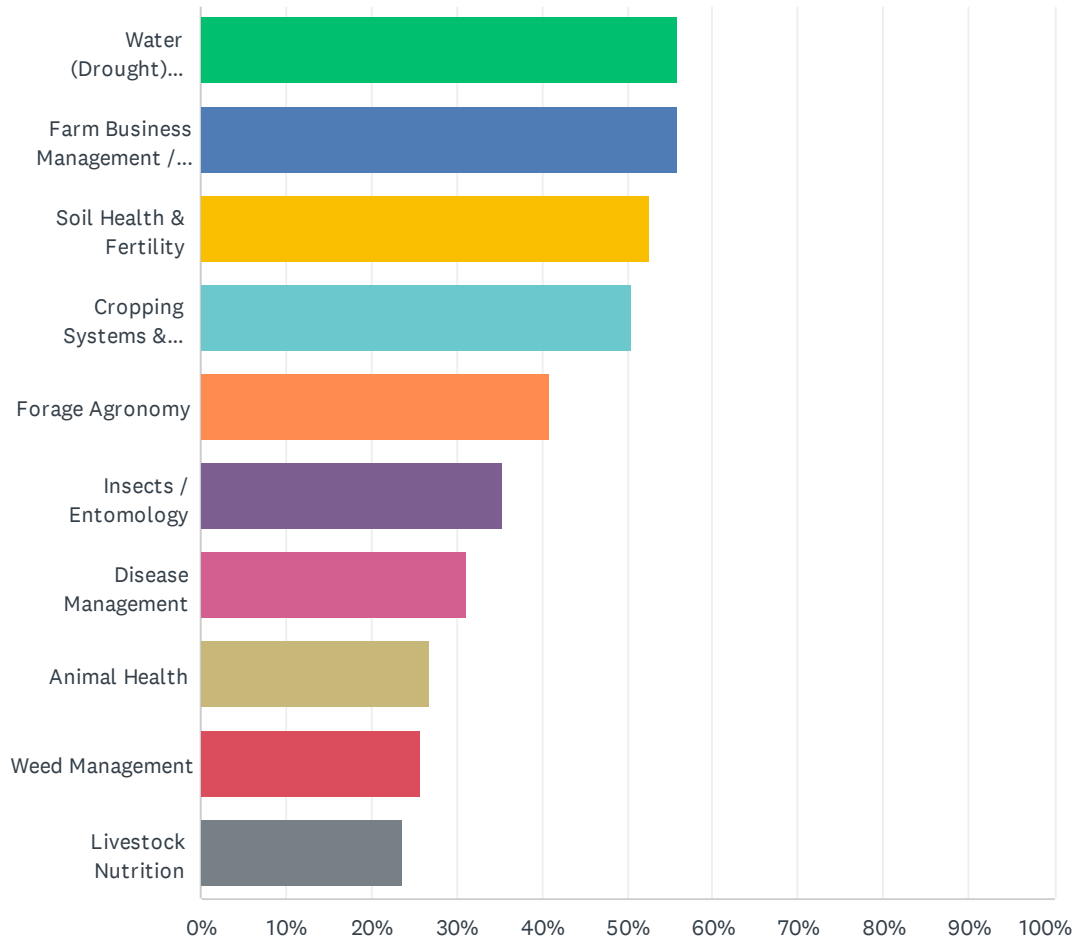

Answered: 99 Skipped: 0

ANSWER CHOICES	RESPONSES	
We would likely leverage extension resources and artifacts they develop	77.78%	77
We would likely attend extension skill-building workshops	69.70%	69
We would likely participate in extension training, coaching, and mentoring	61.62%	61
We would likely request their collaboration on research projects	37.37%	37
Other/Unsure (please specify)	22.22%	22
Total Respondents: 99		

## Q4 What are the most critical gaps in knowledge Specialists that are needed in the Alberta agriculture extension ecosystem? (please select 3)

Answered: 93 Skipped: 6

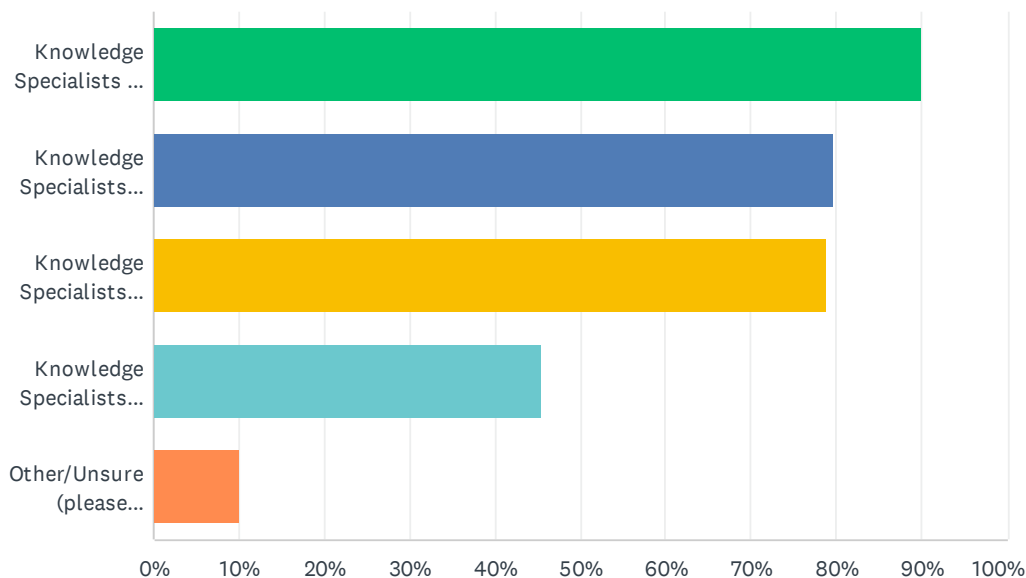

## Feedback on proposed Alberta Cooperative Agricultural Extension Framework

ANSWER CHOICES	RESPONSES	
Water (Drought) Management + Irrigation	55.91%	52
Farm Business Management / Economics / Succession & Estate Planning	55.91%	52
Soil Health & Fertility	52.69%	49
Cropping Systems & Regenerative Agriculture	50.54%	47
Forage Agronomy	40.86%	38
Insects / Entomology	35.48%	33
Disease Management	31.18%	29
Animal Health	26.88%	25
Weed Management	25.81%	24
Livestock Nutrition	23.66%	22
Total Respondents: 93		

## Q5 With additional capacity of science-based knowledge Specialists that fill current critical gaps, how do you envision they provide the greatest benefit to producers you serve? (check all that apply)

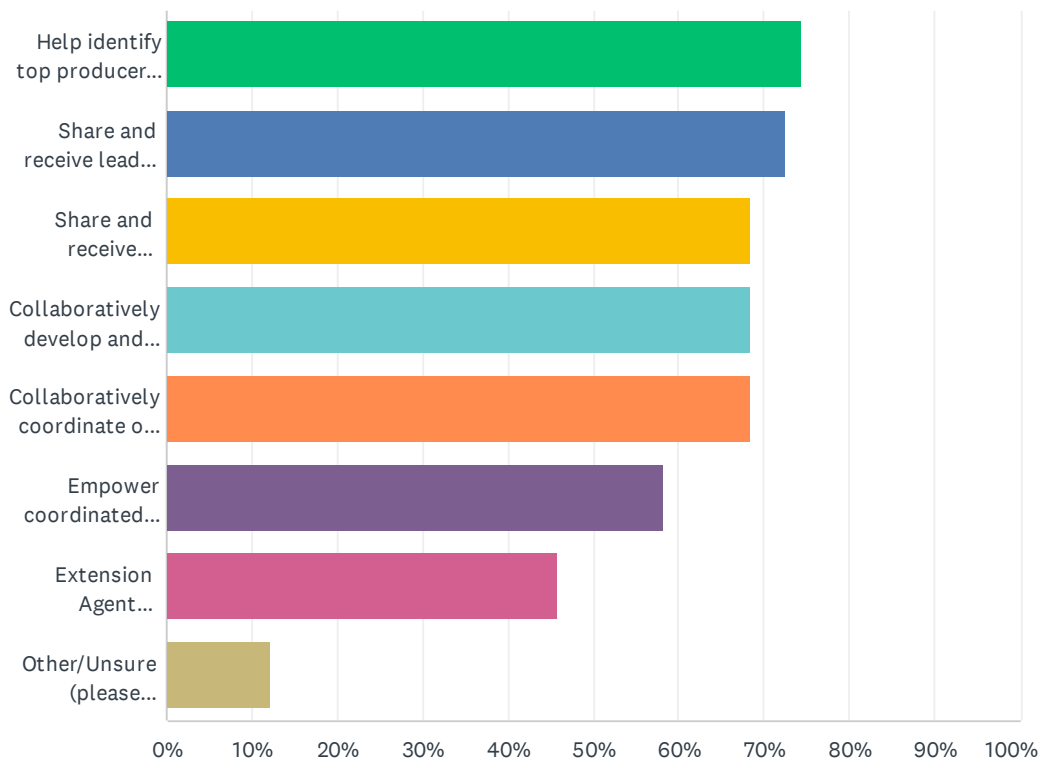

Answered: 99 Skipped: 0

ANSWER CHOICES	RESPONSES	
Knowledge Specialists are available to speak at producer conferences, field days, seminars and webinars	89.90%	89
Knowledge Specialists serve as an accessible trusted source of current science-based practical information for our Extension Agents	79.80%	79
Knowledge Specialists develop and distribute vetted extension materials to our Extension Agents and producers	78.79%	78
Knowledge Specialists collaborate on research projects	45.45%	45
Other/Unsure (please specify)	10.10%	10
Total Respondents: 99		

## Q6 How do you anticipate you or your organization would benefit from participation in Communities of Extension (CoEs)? (check all that apply)

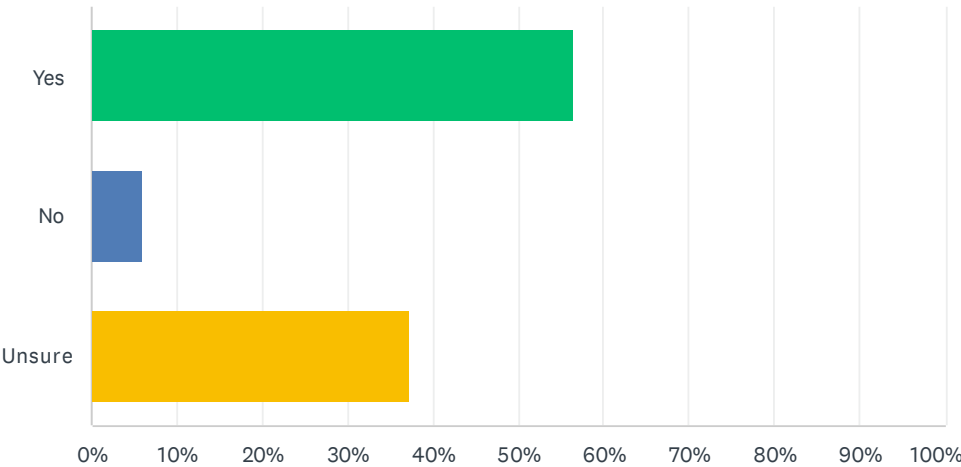

Answered: 98 Skipped: 1

ANSWER CHOICES	RESPONSES	
Help identify top producer challenges for a focused knowledge area (e.g. drought management) and develop intentional extension strategies to address	74.49%	73
Share and receive leading knowledge and research, which is data-informed with lived experience	72.45%	71
Share and receive effective extension tools, techniques and outcome-driven direction	68.37%	67
Collaboratively develop and distribute knowledge artifacts and extension resources to leverage throughout the extension ecosystem	68.37%	67
Collaboratively coordinate or participate in webinars and conferences, both for Extension Agents and producers	68.37%	67
Empower coordinated feedback loop between Extension Agents and producers	58.16%	57
Extension Agent networking, mentorship, and a safe space for testing ideas	45.92%	45
Other/Unsure (please specify)	12.24%	12
Total Respondents: 98		

Q7 Will the proposed Cooperative Extension system improve the efficiency and/or effectiveness of you or your organization's extension efforts?

Answered: 99 Skipped: 0

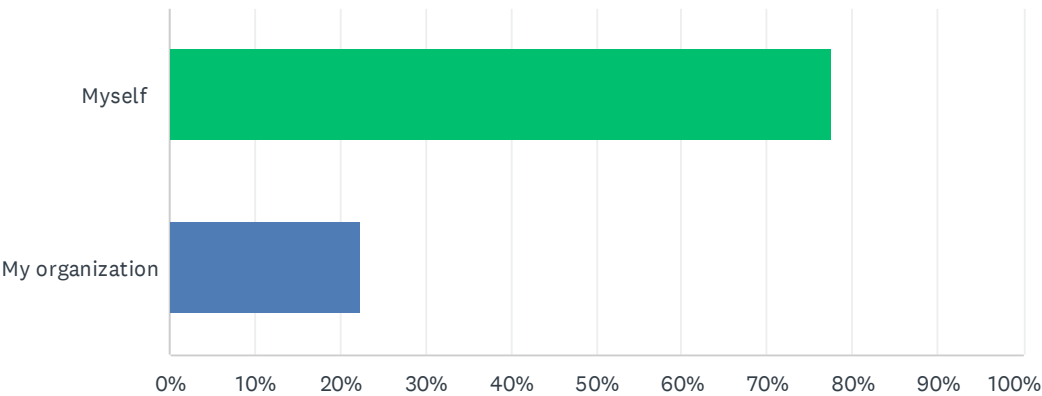

ANSWER CHOICES		RESPONSES	
Yes		56.57%	56
No		6.06%	6
Unsure		37.37%	37
TOTAL			99
